

Doc - Monte Mitchell,

I find myself in a bit of a pickle. I don't know what to do. I knew what I should do and that is take the advice of my 6 lawyers. Everyone of them are totally against myself writing you which is very understandable. They say 6 heads are better than one. I believe you when you say you got in contact with the police and I appreciate that. I know your trying to get to the truth of this matter as I am also. My day will come and I will be acquitted. I can promise you that. Until then I must stay where I am. pray for patience and hope I have enough things to sell to keep my wife son & granddaughter afloat in this world, until I can return and resume my duties as a Husband, father and grand father.

I appreciate your not going on Mr Kriders property <sup>(crippled)</sup> <sub>(creek)</sub>. He has enough problems because of this mess. Him and I are (I think we still are) top notch buddies. I just hate he got drug into this. All I can do is apologize. Even though its not my fault. That's not the route I told the police I took when I was with Jimmy. Maybe the police told her something different. See nobody gets their story straight. I'm not a liberty to share that with you at this time. I would really like to know where everyone gets these crazy ideas. like I told you before I don't even know what he (Jimmy) Tim looks like. How can they make such absurd accusations?

Why do people gossip <sup>so</sup> much. Its the American way in a small town I guess. Thats why I am where I am. People just dont know the truth. But they will find out. Yes I am in a cell all by myself. There is only 2 cells on this block and I am the only one in it. I am surrounded by all concrete walls and a metal door with a hole in it to push the food tray through. I am allowed out 1 hour a day to make a phone call and to take a shower. I go to the gym on Monday 1:00 to 2:00 p.m. Wednesday 9:45 - 10:45. They bring a razor around on Wednesday night and Sunday night. I am not allowed to shave by myself. It takes two guards to watch me. I take medication. Sometimes I get it sometimes I dont. Even though my wife either brings it to them or sends it in the mail. I am not too happy about the DEs policies around here but they this is prison. I slipped a disk in my back last week. I've been known to do that. I've been in the hospital several times because of my back. I never saw a DR until the next Tuesday which was like 5 days later. And still never got any help. Other than that I've got 3 hats and a cot and I will survive. Oh yes, No I cant see outside. My time clock is all messed up.

NO I didnt go to High school at Oxford. I lived on the other side of the lake (Oxtera Reservoir) in a housing developpe my Father Built called OXTERA PINES. It a very beautiful development. I went to school in

Lancaster Co. which was on the opposite side of the lake  
Solazzo SR High in Quarryville PA.

If you see Bill or Dale Hedeker please give them my  
deepest sympathy. They know deep down I didn't  
do this. Ron was like a father to me at times. I  
love him. And Fred will be my closest fishing buddies or  
maybe like that. But I would consider him my friend  
I offered him to bring his children to the house so  
they could ride the horses. Me and Bill go way back  
I wasn't much on Dale. Dale has his own way and  
that's fine. But we were still friends. Like I said I  
can't blame them for feeling the way they do. The police  
have a big part of their feeling and the press has  
the other. Like you said there are 2 sides to every story  
My day will come in court. And they will know the truth  
I don't know what I could say to me Miller's wife and 6 months  
I never met them. I feel for their loss. I've always  
said. "I love everyone," "I may act like what you do but  
I still love you." Words of wisdom. It's a keep sake!  
Well I've probably said too much (According to my attorneys)  
I'm sorry I must listen to their advice. Please have  
a good day. And never give up.

Sincerely  
Fred <sup>10</sup> P

P.S. When all this does come to a head, you'll be my go to guy. Promise
